

# Full Specification

## Pro Perfection Nylon Putt

**Product name:** Pro Perfection Nylon Putt

**Application:** Golf, sports, playgrounds, etc.

**Stitches per square metre  $\pm 10\%$ :** 100,000

**Production process:** Tufted cut pile

**Pile material:** 100% pa monofilament

**Yarn dtex:** 5,000

**Ply:** 12

**Quality:** 100% eu product, free of heavy metals and toxins (reach compliant)

**Primary backing:** 100% pp double layer with fibre-lock fleece

**Primary backing weight (gr/ $\pm 10\%$ ):** 250

**Secondary backing:** Latex

**Secondary backing weight (gr/ $\pm 10\%$ ):** 910

**Waterpermeability:** 70Litre PSQM

**Pile height (mm)  $\pm 10\%$ :** 12

**Total height of construction (mm)  $\pm 10\%$ :** 14

**Pile weight (gr/ $\pm 10\%$ ):** 1300

**Total weight of construction (gr/ $\pm 10\%$ ):** 2600

**Tuftgauge:** 3/16th

**Stitches per linear metre  $\pm 10\%$ :** 50

**Roll width (m):** 4

**Roll length (m):** 25
